BLADE 11

My name is Yui Shishido
I'm a teacher at Kisaragi Academy.
I performed the charm with my students, and we all were trapped in here as well
Even though we did the charm together
The school has separated us all so that we'll never meet.
No matter how much I search I will never find them again. They are both here and not at the same time

To tell the truth
I don't really know what happened to me.

That charm... It's what keeps us inseparable!!
We will definitely see everyone again!!!

Our first task
There was nowhere for the killer to run off to
There is no place to hide in the classroom and the windows were locked
And by the time we got the door open all that was left was corpses
Someone managed to kill everyone after we left the room
What I'm trying to say is...
Is the Killer even human?
What are you trying to say?

What we've seen so far is just completely unreal
I don't believe in all that paranormal crap like the rest of you
I know it sounds ridiculous
Ridi

Spirits do exist...
It's so boring. Like we're playing with a Ouija board.
This is your area of expertise
I wonder what these spirits and demons really look like
The person that killed Minoru and the others...
Do you think they're a paranormal entity?
That's the only logical conclusion right?

Want me to take a look?
She's slow
About Yuuma... Is the rumor of Yuzuki and her lackeys picking on Tamaki for real?
Hayakawa
I know it's not my business. But...

Tamaki will never tell anyone about her problem
Maybe Yuzuki doesn't want to be hated by Yuuma. She will never show her true self infront of others.
There's a reason for everything...
I don't really hate her but...
This is the necessity if she wants to live a good life
I don't want to say this, but this is what weakling would normally do
Even if it means upsetting her..

Was that... an illusion...!?

Okay?
I've no idea why we are here...
But if this is related ta the Sachika Ever After...
Tamaki and Shin must be trapped like us... We must hurry and find them
Wha cares about that Tamaki
.....

It's all her fault that we end up in this predicament
Isn't Tamaki the one who found that charm?
If she's trapped somewhere in this eerie school...
It's not that bad...
It feels great to see her die alone in this shitty place...
Don't you dare say that again

TAKE THAT!!
Huh?
HOW DARE YOU SHOW DISRESPECT TO ONEE-SAMA
STOP THAT!! YOU TWERP!
IF YOU EVER OFFEND HER, I WILL CUT YOU TO PIECES!!
OUCH!!
WHO ASK YOU TO HURT ONEE-SAMA FEELING?

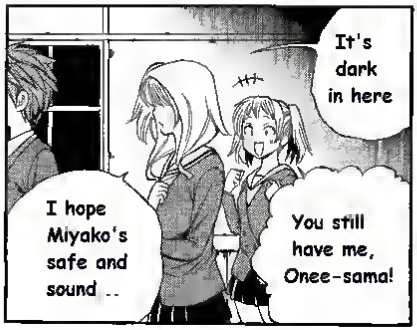
You don't seem to understond my feeling to Onee-somo
Onee-sama? Both of you aren't even real siblings...
HEAVENLY HOST
It may look unreadable but...
Isn't this the poster of this school?
HEY!
LOOK AT THIS!

HEAVENLY HOST
HEAVENLY HOST
The Sachiko Ever After charm is probably originated from Heavenly Host...
But that school was demolished many years ago. It's no longer exist...
Eh?
?
Do you know something, Yuzuki?
Oh... NOTHING!



It's dark in here
You still have me, Onee-sama!
I hope Miyako's safe and sound ..

The floor isn't sturdy
Be careful

There are human corpses here...
And... quite a number of them too ...
ビクッ
Stay right there !!

Is something wrong, Yuuma?

3...4...5 of them...
They all die a mysterious death...
It seems...
they struggle for quite
sometime before dying...

Are they
one of us?
They are from
our school...

TAMAKI...!!
.....
Are you okay, Yuume?
ガラ...
Yes...

There's no way they will turn into those in the shortest possible time...!
Even if those who come with us meets with an untimely death
.....
I think too much...

There's no way I am seeing things...
No worry, Onee-sama
Perhaps Yuuma is seeing things
I can't believe someone actually dies here... what is this place...

I'm scared...
Yuuma...

NOT AGAIN!
Why do you keep on clinging to me!?
AH
Soy... Yuumo...
Do you believe in spirits?
!

I...
have the deepest secret...
This spiritual power...
I believe it really exists...
EH?
Eh? Why isn't Yuuma surprised at all?
No... it's not that I'm not surprised
It's simply because I don't believe in spirits at all
You don't believe me?

Not really...
If you believe in those things, then it must be real
Nah... I don't know why you are thanking me though...
Thank you Yuuma
くすくす
What? Did I say anything funny?
I won't tell anyone
Relax
.....

Did you really believe in spirits?
What is it, Okita?

Calm down, Onee-sama
Let me tell him about it

Hey, Yuma
Of course!

There's a way to summon the spirits
We found the spirit summoning ritual on the internet
THE REAL SPIRIT!!

SO
Why did Onee-sama lost interest?
Oh ..that! It got kinda bored so I start losing interest
So it was you two that did those weird stuffs?
Real spirit? Are you nut?
We just simply try it out for the kick of it
That's not it, Yuuma!
Hehe... He must be scared shitless
what is this about the spirits?
So...
Really..

It's the spirit... of the little girl

Hey Okita
Even if we found the exit, I won't leave till I found everyone

AH
Isn't that an exit?

You might as well stay there till you die
Gat it
But it's better if we faund the exit first
I will go take a look, Onee-sama
Be careful, Yuma

Shoes racks...
So this is an exit...
.....

It won't open...
That Yuuma is pissing me off
Onee-sama belongs only to me

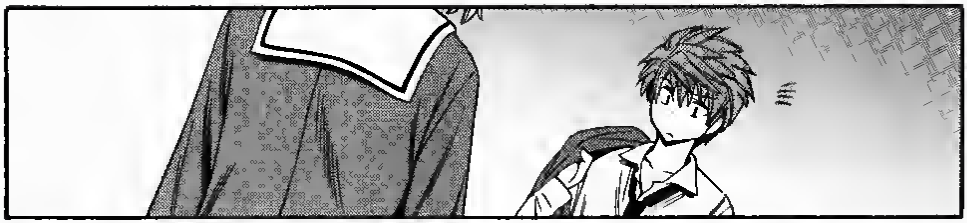
W-What's going on here!?
Are you telling me to run that way!?
She's... not attacking me...!?
ニヘ...
.....
.....

YESSS
Come on!!
Let's hurry back, Yuma!

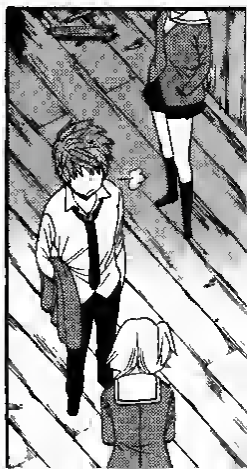
Some blood-drenched little kids got hold of me
And there was no sign of Tamaki
!
Yuzuki
YUMA! WHAT HAPPEN TO YOUR SLEEVES?
And... where's Tamaki...!?



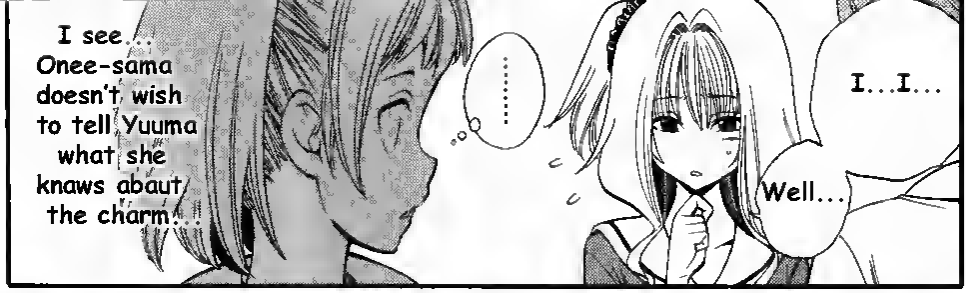
Next time ya try something, make sure you're up to the challenge...
SHORTY

Thank god you're well and alive
Ahhhh... Good, good

Hey... Yuzuki
What do you know about this "Sachiko Ever After" charm?
Err...



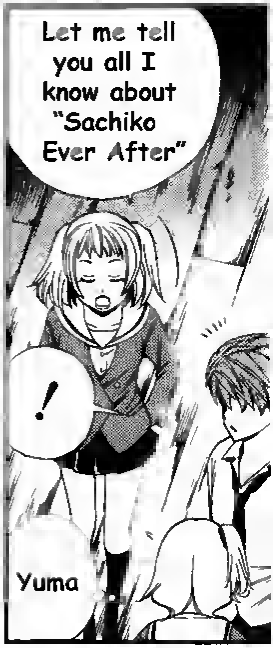
There is no way out through those doors or windows...
I have no doubt that it was that charm that brought us here to this Heavenly Host...
Those corpses... and that children spirits...
And I saw those spirits with my own eyes...
That charm must be the cause of all these
No matter how it looks, something here must have happen in the past...
It's impossible to back away now after witnessing those stuffs...



I see... Onee-sama doesn't wish to tell Yuuma what she knows abaut the charm...
.....
I...I...
Well...

If it exists...
that would explain why we are here
That is the strange part

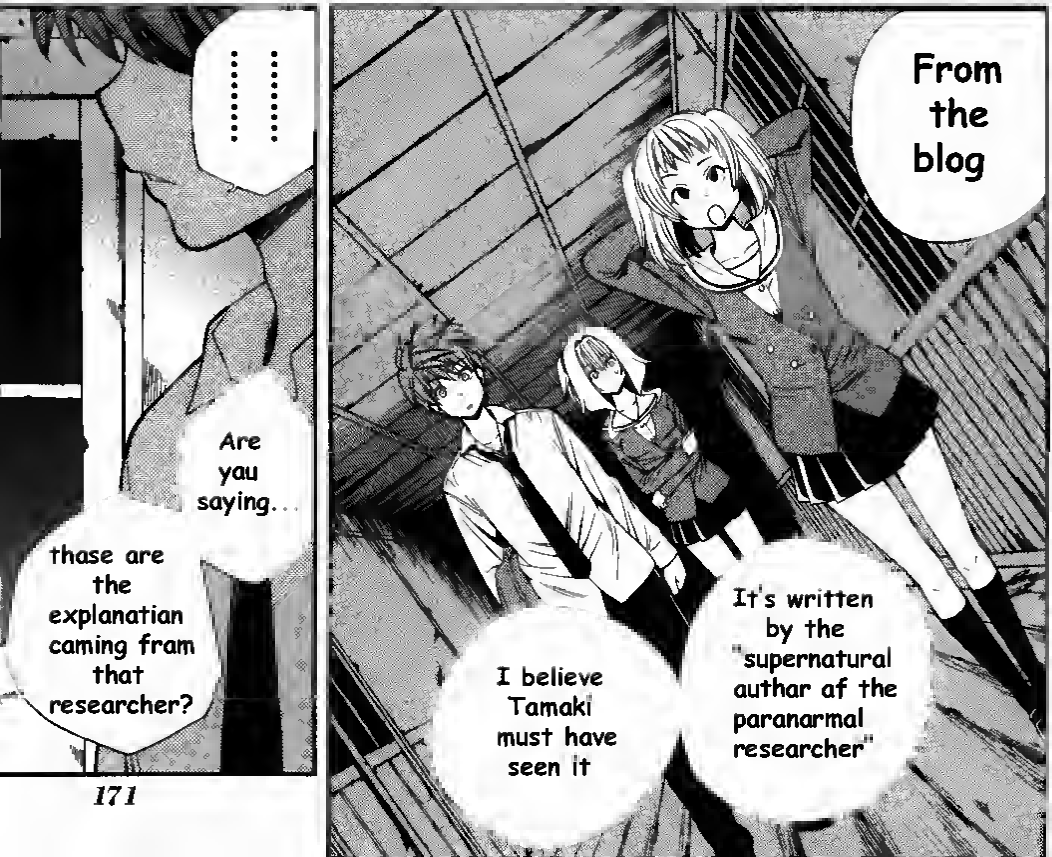
This... Heavenly Host
exists over 30 years ago



Let me tell you all I know about "Sachiko Ever After"
!
Yuma

That schaal was already demalished a lang time aga...and naw it was replaced by anather schaal
Which means that we shauldn't be standing an this school

The name "Sachika" is the student af this schaal
Perhaps... she may have already been dead
Rumar has it that she went missing
A school that no longer exists...
Haw did yau knaw sa much?
Okita...



From the blog
It's written by the "supernatural authar af the paranarmal researcher"
I believe Tamaki must have seen it
Are yau saying...
thase are the explanatian caming fram that researcher?

About this "Sachiko Ever After" charm...
Those who perform the charm are supposed to be together forever...
isn't that what the charm is all about!?
Why must we die in the place like this...!?
...Isn't this pretty obvious?
"THOSE WHO PERFORM THE CHARM"
"WILL BE TOGETHER FOREVER... EVEN THROUGH DEATH..."

It's probably true that "We will be forever together once we die"
If there are spirits lurking around...
We've been moving around in circles... but there're still no sign of Tamaki and others
That's not the only strange thing...
AHHH HHHH HHHH HHHH HHHH !!!

What is it, Yuzuki!?
Ah...
AH...
It's been reduced ta banes, but...
That unifarm ...
...is the same as aurs...

Yuzuki?
No...
It can't be...
That cellphone the corpse is holding onto...
IT'S MIYAKO'S ...!!!
Could that be...
Is that...!!!
